SINGLE ARM HOIST FOR C115 AND C150

The Eurolube Pump Hoist offers better performance, ease of use and safe handling. Compact and robust design. The lift can be rotated, this feature allows 3 grease drums to be in position for quick change to a new grease drum. Robust lever valve for UP/DOWN control of the lift.

TECHNICAL DATA

Part No	26705
Height	1630 - 2630 mm
Packaging LxWxH	1,78 x 0,48 x 0,53 m
Weight (Gross)	74,5 kg
H.S. Code	72089080
