

HIGH PRESSURE GREASE PUMP 20KG DRUM

HIGH PRESSURE GREASE PUMP 20KG DRUM

Sturdy hand operated Grease Pumps for maintenance and service within the automotive, industrial, marine, farming, aircraft and mining pressure: 35 MPa (5000 psi) Capacity: 2gr per stroke, Includes: Hand pump, Drum cover, Follower plate, 1.5m hose c/w hydraulic coupling

TECHNICAL DATA

Part No	20731
Capacity	2 gr/stroke
For container	20 kg
Maximum pressure	35 (350) MPa (bar)
Packaging LxWxH	0,78 x 0,13 x 0,35 m
Weight (Gross)	5,97 kg
H.S. Code	84132000
