

MOBILE FILTER WITH 2 M EXTRACTION ARM

MOBILE FILTER WITH 2 M EXTRACTION ARM

Mobile filter for welding fumes with integrated fan and extraction arm 2 m Ø160 mm. Has a W3 marking and can be used in steel and stainless-steel applications. Includes a filter pack (pre-filter 1 m² and HEPA filter 15 m²). Intended for:

MIG-MAG/GMAW welding, TIG welding, FCAW welding, Stick/MMAW welding, grinding, polishing & finishing.

TECHNICAL DATA

Part No	64630
Capacity	850 m ³ /h
Motor	1,1 kW
Voltage	230 50Hz V AC
Cable length	6 m
Length	2 m
Noise level	67 dB
Packaging LxWxH	1,20 x 0,80 x 1,65 m
Weight (Gross)	101 kg
H.S. Code	84213925
