MOBILE OIL DISPENSER, HD, 208 L WITH SAFETY TROLLEY, SOLID WHEELS

Consists of pump B13760, hose reel (17852) with measuring plant 10371 and trolley 16862. The drum is placed on an safety trolley which prevents any spillage on the floor or ground. When there is no area to normally park ordinary drum trolleys at the end of the day, this is the ideal solution. Perfect for field service in construction, mining and marine sectors and other sensitive environments.
