POWER RAM PUMP HOIST - NO PUMP

The Power Ram pump hoist ensures enhanced performance, user-friendly operation, and safety. It features twin Ø80mm cylinders for efficient grease input and a durable aluminium follower plate with dual sealing lips, maintaining cleanliness while handling high-viscosity greases. The standard automatic low-level stop prevents dry pumping, safeguarding the pump. Its swivelling control unit includes built-in regulators—one for pump control and another for hoist control—with ON/OFF buttons for pump operation and a sturdy lever valve for hoist movement.

TECHNICAL DATA

Part No	26700
Packaging LxWxH	0,98 x 0,8 x 1,63 m
Weight (Gross)	206,4 kg
H.S. Code	84135069
